

FINAL YEAR PROJECT 1
MID-TERM ORAL DEFENSE CRITERIA
THESIS AND CAPSTONE
Academic Year 2025-2026

PROJECT TITLE:

Team:

Member 1

Member 2

Date of Examination:

FINAL YEAR PROJECT COMMITTEE COMPOSITION:

ADVISER

FYP INSTRUCTOR

GUEST PANEL

HEAD OF CS DEPARTMENT

Category Weight/Criteria: 100%				
1.Content Quality---- --- 50% 2.Presentation Quality—50%				
1.Content Quality Description Evaluation:				
Measures:	Excellent (4)	Very Satisfactory (3)	Satisfactory (2)	Unsatisfactory (1)
Chapter 1				
a.Context	Relevance and balance: Project context is anchored on well defined Context of the Study.	Context are adequately connected.	Context are less connected	Context is dis- aligned
b.Evidence based Documentation	100% Data gathering instruments complied and data collected analyzed.	Lacking thorough analysis of data	Insufficient data presented	Data presented has no substantive value
c.Statement of the Problem	100% comprehension on the root causes of the problem	Adequate comprehension of the causes of the problem	Less comprehension on the problem	Did not understand the root cause/s of the problem.
d.Clarity and Scope	Coherence and well defined context, scope, objectives, theories and diagrams	Coherence with minor gaps	Less coherence	Poorly documentation
2. Chapter 2:				
a.Relevance and Coherence	Well organized of relevant RRL	Organized with minor gaps	Supported with few relevant RRL	Lacks relevant RRL
b.Critical Analysis	Deep/ better understanding of the conceptual framework with insightful synthesis	Good understanding of the conceptual framework and good synthesis.	Lesser grasp of the context of the study	Needs more data and review.
c.Theories Project Integration	Excellent integration of theories to project objectives.	Very satisfactory integration of theories to project objectives	Satisfactory integration of theories to project objectives	Unsatisfactory integration of theories to project objectives.
2.Quality of Presentation:				

Criteria for individual presenter				
Measures	Excellent (4)	Very Satisfactory (3)	Satisfactory (2)	Unsatisfactory (1)
a.Mastery of the Subject Matter	Assigned topic well articulated/ explained, no reading of report, balance messaging.	Presentation is back up with prepared materials/ reading the presentation.	Reading the presentation with few unclear explanations.	Unclear explanation and loss focus.
b.Voice Clarity/Modulation and preparedness	Answer the questions directly and clearly.	Answer the questions softly with minor voice control/modulation	Unclear answer due to poor voice modulation	No answer due to tension/lack of preparation.
c.Ability to convince the panel	Confident and provide logical answer to questions	Demonstrate confidence with minor error.	Answers are less convincing.	Presented illogical answer to questions.
Total Team Score				

3. Summary:

a. Individual Score:

a.1 Member 1 Score

a.2 Member 2 Score

b. Total Individual Score

c. Overall Score:

4. Grading Scale:

1. Excellent (3.5-4.0) Accept the project

2. Very Satisfactory(2.5-3.4) Accept the project with minor improvements.

3. Satisfactory (2.0 – 2.4) Re-defense. Major improvements.

4. Unsatisfactory (1.0 -1.9) Reject the project.
